

INFORMATION REGARDING ABSTRACT SUBMISSION

Submission of abstracts is only available electronically via a secured site hosted on the FASEB server. To submit an abstract click [here](#). The **deadline for receipt** of abstracts is close of business **March 29, 2010** (5 PM East Coast Time). You may be the first author or presenter of **one** original research paper only. You may be the first author of a second abstract if it is an **Education** poster. There is a \$30 non-refundable handling fee for each abstract. We recommend use of PC and Internet Explorer (IE) version 5.5 or higher for abstract submission. Some versions of Mac and other browsers may not be supported.

Requests for **abstract withdrawal** must be made in writing by fax (301-634-7825) or by email (sdb@sdbonline.org) by **May 10, 2010**. Please include abstract control number in the request.

About 30 abstracts will be selected for platform presentations (short-talks) at the concurrent symposia sessions. Symposia chairs and meeting organizers will make these choices and selected authors will be notified in late May. **Only current SDB or JSDB members** (2010 dues paid in time to be included in the membership database **before** abstract submission) may request consideration for oral presentations. The member may enter up to two choices of concurrent sessions for short talk consideration on the electronic Abstract Submission Form.

Students who are **first authors** and **current SDB members in good standing** (2010 dues paid in time to be included in the membership database **before** abstract submission) are eligible for the Best Student Poster Competition by checking the appropriate box. Please see the enclosed information on the Poster Competition for details.

Postdoctoral members of SDB and JSDB in good standing (2010 dues paid in time to be included in the membership database **before** abstract submission) may request consideration for a short talk in the Hilde Mangold Postdoctoral Symposium. SDB 2010 Regional meeting postdoctoral winners will automatically be considered for a slot in this session. All postdoctoral talks will be judged for the Best Postdoctoral Presentation Award.

Abstracts will be included in an August issue of *Developmental Biology*, published by Elsevier. The online abstract submission form will prompt you to accept the Elsevier License Agreement (please see below). You must accept this agreement in order for your abstract to be published. If you do not wish to accept the agreement, you may still submit your work now and be assigned for poster presentation. The abstract will not be published in *DB*.

Late abstracts are subject to space availability and we highly recommend submitting your abstract by the March 29 deadline to guarantee a slot. Please check the meeting website, www.sdbonline.org/2010Mtg.htm, for updates and instructions regarding late abstract submission, after May 10, 2010.

NOTE: It is solely the authors' responsibility to abide by standard regulations for animal care and use, as well as to abide by regulations for use of human subjects. **All named authors** share this responsibility and submission of the abstract confirms acceptance of this responsibility.
