

## **LATE ABSTRACT SUBMISSION**

Submission of late abstracts is only available electronically via this site. The **deadline for receipt** of abstracts is close of business **June 6, 2011** (5 PM East Coast Time). You may be the first author or presenter of **one** original research paper only. You may be the first author of a second abstract if it is an **Education** poster. There is a \$35 non-refundable handling fee for each abstract. We recommend use of PC and Internet Explorer (IE) version 5.5 or higher for abstract submission. Some versions of Mac and other browsers may not be supported. Abstracts will be included in the 2011 Program Addendum.

**NOTE:** It is solely the authors' responsibility to abide by standard regulations for animal care and use, as well as to abide by regulations for use of human subjects. **All named authors** share this responsibility and submission of the abstract confirms acceptance of this responsibility.

## **ABSTRACT SUBMISSION INSTRUCTIONS**

The total number of characters must not exceed 1750 in the body of the abstract. Spaces and punctuation marks are included in this count. If a warning of over the count limit appears and you are sure the count with spaces should be less, we recommend saving the document as a text file, then cut the body of the abstract and insert into the abstract box. Sometimes hidden codes are inserted into Word documents (without the author's knowledge) and this adds to the characters count. Also, use single space and do not re-enter the abstract title, authors and affiliations into the body of the abstract. Keep all the text in one paragraph.

1. These abstract submission forms are new and payment of a \$35 non-refundable processing fee is required **before** abstract is entered. VISA, MasterCard, American Express, and Discover will be accepted. This is a secured server. Each author may present **only one** abstract (except for a second Education poster – please contact SDB office on this option). Links to submission pages:
