

Frontiers in Developmental Biology: Concepts, Techniques and Model Organisms

A Satellite Short Course of the Fourth International Meeting of the Latin American Society of Developmental Biology (LASDB)

Instituto Leloir, Buenos Aires, Argentina
October 23 – November 1, 2008

The Society for Developmental Biology makes these materials available through this website as a service to the community **FOR EDUCATIONAL PURPOSES ONLY**. These materials are not for commercial distribution, or posting on personal, institutional and/or class websites.

Reference to these materials must include proper credit to the instructor and the short course “Frontiers in Developmental Biology: Concepts, Techniques and Animal Models”.

Please contact the individual instructor for permission for print-outs and additional questions.

Any opinions, findings, and conclusions or recommendations expressed in these materials are solely those of the author(s) and do not necessarily reflect the views of the Society for Development Biology, the National Science Foundation, the US Department of Energy, or the Eunice Kennedy Shriver National Institute of Child Health & Human Development, National Institutes of Health.

This short course was supported by the National Science Foundation and the US Department of Energy under Pan-American Advanced Studies Institutes Program (PASI) Grant #OISE-0719671. This short course was also made possible by grant #1 R13 HD060426-01 from the Eunice Kennedy Shriver National Institute of Child Health & Human Development, National Institutes of Health, and a grant from United Nations University Program for Biotechnology in Latin American and the Caribbean.

Instruction Materials

[Richard Behringer](#), University of Texas, MD Anderson Cancer Center, TX

[Nibia Berois-Domenech](#), Universidad de la República, Uruguay

[Siobhan Brady](#), Duke University, Durham, NC

[Nora Calcaterra](#), Universidad Nacional de Rosario, Argentina

[Cathy Krull](#), University of Michigan-Ann Arbor, MI

[Ruth Lehmann](#), Skirball Institute/Howard Hughes Medical Institute, NY

[Roberto Mayor](#), University College London, UK

[Luis Mayorga](#), Universidad Nacional de Cuyo, Argentina

[Javier Palatnik](#), Universidad Nacional del Rosario, Argentina

[Alejandro Sanchez-Alvarado](#), University of Utah/Howard Hughes Medical Institute, UT

[Billie Swalla](#), University of Washington, WA

[Eric Wieschaus](#), Princeton University/ Howard Hughes Medical Institute, Princeton, NJ

Practicals

[Fertilization](#)

[Drosophila](#)

[Zebrafish](#)

Please check individual instructor's link for additional protocols.
