

NIGMS 50th Anniversary Awards

In commemoration of the National Institute of General Medical Sciences' 50th anniversary, one postdoctoral fellow and one graduate student will be selected to present their work at the NIGMS 50th Anniversary Symposium, to be held October 17, 2012 at NIH, Bethesda, MD. The award will cover domestic airfare, lodging and meal expenses to enable the awardees to attend the half-day symposium and present their posters. Selection criteria will follow SDB's standard Best Student Poster Competition and Best Postdoctoral Presentation procedures. Winners will be announced at the Awards Banquet.
